AL-ANON IS . . .

...a worldwide organization that offers a program of recovery for the families and friends of alcoholics, whether or not the alcoholic seeks help or even recognizes the existence of a drinking problem. Members give and receive comfort and understanding through a mutual exchange of experience, strength and hope. Sharing of similar problems binds individuals and groups together in a bond that is protected by a policy of anonymity.

NOTES: All meetings are closed unless otherwise noted. Closed Al-Anon meetings are open to all who have been affected by another person's drinking. When our information service lists a group, there is an informal agreement that the group will abide by Al-Anon Traditions and keep its doors open to any Al-Anon member. Listing in the directory does not constitute approval of any group's manner of practicing the Al-Anon program. If the group you attend is not right for you, please try another. There is help available in Al-Anon.

Al-Anon Family Groups (AFG) Preamble

The Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength and hope in order to solve their common problems. We believe alcoholism is a family illness and that changed attitudes can aid recovery.

Al-Anon is not allied with any sect, denomination, political entity, organization or institution; does not engage in any controversy, neither endorses nor opposes any cause. There are no dues for membership. Al-Anon is self-supporting through its own voluntary contributions.

Al-Anon has but one purpose: to help families of alcoholics. We do this by practicing the Twelve Steps, by welcoming and giving comfort to families of alcoholics, and by giving understanding and encouragement to the alcoholic.
